forth and back broadens the scope of hispanic trans atlantic studies by shifting its focus to spain s trans literary exchange with the united states at the end of the twentieth century santana analyzes the translation boom of u s literature that marked literary production in spain after franco s death and the central position that u s writing came to occupy within the spanish literary system santana examines the economic and literary motives that underlay the phenomenon as well as the particular socio cultural appeal that u s dirty realist writers which in spain included authors as diverse as charles bukowski raymond carver and bret easton ellis held for spaniards in the 1980s santana also studies the subsequent appropriation of this writing by a polemic group of young spanish writers in the 1990s whoself consciously and insistently associated themselves with the u s forth and back illustrates that literary movements do not unilaterally spread rather those that flourish take root in fertile soil and are transformed in their travel by the desires creative choices and practical constraints of their differing producers and consumers it is precisely in the crossing of these currents that plots thicken the translation of dirty realism its reception in spain and its cultural legacy as appropriated by the young spanish writers serve to interrogate a perceived u s hegemony if spanish realismo sucio has been said to be symptomatic of the globalization

of literature forth and back argues that the spanish works in question posed a subtle reaffirmation of spanish literature s strong ties to realist fiction a gesture of continuity in a decade that seemed to presence the undoing of much of spain s spanish ness ultimately this project asks an ambitious pair of questions at the heart of human culture how do we read each other quite literally across geography and language how do we construct others and ourselves vis à vis those readings

peter pan was born over a century ago there is something doubly contradictory in this phrase that although true is also the reason why this book has been released we are talking about the boy who will never grow up and the fact that he is celebrating his hundredth birthday should provoke some surprise at the same time he is such a powerful icon that it is also true that he seems to have been there floating in our culture reappearing in its images since time immemorial much farther back than the early twentieth century this book shows that although he considered dying to be an awfully big adventure peter pan is on his one hundredth birthday more alive than ever and our prediction is that he will accompany our culture as long as it survives like all great myths peter will continue bursting through the window of our texts leading us to other worlds so that when we least expect it we will hear his cry emanate from a dark ocean this book in a sincere tribute intends to be both a compilation and a precedent by inspiring a deeper look into its image we hope to influence the life of this character so dear and yet so mysterious and seductive peter pan ha cumplido un siglo de vida hay algo doblemente contradictorio en esta frase que por lo demás es cierta y es el motivo por el cual este libro ha visto la luz estamos hablando del niño que nunca crece y el hecho de que celebre su cumpleaños número cien puede provocarnos cierta extrañeza por otro lado se trata de un icono tan poderoso que también es verdad que parece haber estado ahí flotando en nuestra cultura resurgiendo en sus imágenes desde tiempos inmemoriales mucho más lejanos que los albores del siglo xx este libro muestra que a pesar de que considere que morir podría resultar una aventura extraordinaria peter pan está a sus cien años más vivo que nunca y el panorama pinta en efecto para una vida que acompañe a

nuestra cultura mientras ésta sobreviva igual que sucede con todos los grandes mitos peter seguirá irrumpiendo a través de la ventana de nuestros textos guiándonos a otros mundos de tal manera que cuando menos lo esperemos escucharemos su grito emanar de un océano oscuro este libro en un sincero homenaje pretende ser compilación y precedente y mediante la provocación mediante la motivación de la profundización en su figura incidir en la trayectoria de la vida de este personaje tan entrañable y a la vez tan misterioso y seductor
