stephen king said writing is an act of self hypnosis and in that state a kind of total emotional recall takes place the dream stealers started out to be a long letter  
 to my children but as i got into the writing it evolved into a novel i was able to relive all the sweet and bitter years of a half century ago from the beautiful  
 women the club singing the navy camaraderie and even the months i spent in a naval hospital as i delved into the writing i could recall events and word for  
 word conversations that i d long ago forgotten and then in my later years re experiencing the preciousness of my first true love and the hurt of living the adage
