drawing on examples from literature art and popular culture aswell as theology this engaging book reveals the importance of thequestion whose was he in fully understanding the life and legacy of jesus a concise accessible and engaging exploration of jesus s lifeand enduring influence charts the changing global status and influence of jesus a galilean jew born when the ancient roman empire ruled the mediterranean world and how he has come to be honored as thechrist and recognized by billions of people around the world traces the reception history of jesus and his story over thepast two millennia through art literature and culture as wellas theology draws on a fascinating range of materials from ancient texts creeds and theological treatises to the visual and dramatic arts including books like the davinci code and films such as the passion of the christ

for many christians our understanding of the history of the church universal jumps straight from what we read in the new testament to a basic understanding of the reformation we re missing more than a millennium and it was a busy fascinating tumultuous thousand or so years during which christianity spread across three continents in places as distant and different from each other as china sudan and britain the gospel was spreading the church was growing and believers were expressing their faith in myriad ways in this inspiring book you ll learn about 30 key moments in the history of christianity that illuminate the incredible diversity and unity of the faith combining a global scope with intimate storytelling professor mark w graham challenges you to expand your knowledge of christian history and your appreciation for cultural and political differences among believers the result will be a wider view of the church a deeper understanding of other expressions of the faith around the world and a greater connection to the cloud of witnesses who have gone

before us

in 1907 in a remote region of china explorers discovered a vast treasure trove of ancient scrolls dating from the 5th to 11th centuries ad they recounted a taoist interpretation of jesus s life and teachings in this volume theologian martin palmer provides a history and translation of these sacred texts

asian case studies on translating christianity brings historical expressions of asian christianity into contemporary theological conversation the book offers case studies of jingjiao christianity in tang china the jesuit mission in ming china indigenous theology in colonial korea and contemporary asian american theology the case studies especially examine how the names and understandings of the trinity have been changed in the processes of borrowing erasing and elevating the meanings of eastern local concepts to translate the message of christianity not only are these diverse expressions of christianity unique and valuable in and of themselves but they testify that diverse understandings are a god given phenomenon heejun yang draws on contemporary theological hermeneutics to argue that it is the self communicative nature of god that helps articulate the diverse understandings of god in these cases yang posits the triune god as both the starting and ending points of the christian hermeneutic process and claims that this understanding can be a way for the church to embrace different christian communities while moving forward in their own unique complexities
